

CAMP EXSTREAM

Thank you for completing Giles County School's Camp EXSTREAM online interest form.

We are very excited about your child's interest in attending Camp EXSTREAM (Science, Technology, Reading, Engineering, Arts, Mathematics), a learning camp for students currently in grades K-8. This camp is made possible through the Tennessee Learning Loss Remediation and Student Acceleration Act; there is no cost to attend. Transportation, breakfast, lunch, snacks, and engaging lessons will be provided daily for your child.

We will use high quality instructional materials to address learning loss and accelerate student learning during the summer programs. We will reinforce grade-level learning through a strategic review of the most critical foundational skills from the previous grade. We will accelerate learning and build student confidence by building knowledge and vocabulary to support access to next year's content.

This is a great opportunity for your child to build skills over the summer. Our schools and participating teachers know the importance of a strong academic foundation and look forward to your child's participation in this program.

CONFIRM YOUR ATTENDANCE

The camp will run June 7-July 1. Students will attend each Monday-Thursday from 8:00 - 3:00. Parents must be committed to having their child attend daily.

Your Child's Assigned Camp Location:

BRIDGEFORTH MIDDLE SCHOOL

Please return the attached form to your child's teacher no later than May 14, 2021, so we can determine who will be attending. Classes may fill quickly because of limited capacity at some locations.

If you have any questions or concerns, please contact your child's school principal. Thank you!

CAMP EXSTREAM
